Description

Comments

Le Mitsubishi Outlander PHEV 2021 SEL est un choix intelligent pour ceux qui cherchent à combiner économie de carburant, conduite éco-responsable et polyvalence hivernale. Grâce à sa motorisation hybride rechargeable, il permet de faire la majorité des trajets quotidiens en mode 100 % électrique (jusqu'à 39 km), tout en offrant la tranquillité d'esprit d'un moteur à essence pour les longues distances. Sa traction intégrale (S-AWC) le rend particulièrement bien adapté aux conditions canadiennes
